

Wordpress plugin “Team members” requirements specification

Common information

This document is describing requirements for Wordpress plugin creation which will allow to display team members on the specific page of the Swoop website: <https://www.swoop.ph/squad/>

Member of the operations team will be able to update the squad page by themselves, so that they do not need to send a request to a website developer each time a person leave or enter the Swoop Squad team.

Plugin should provide the ability to add, remove, and edit employees in squad page via Wordpress. Also the ability to add categories.

Administration panel

In order to create Teams or Team members administration panel should be implemented.

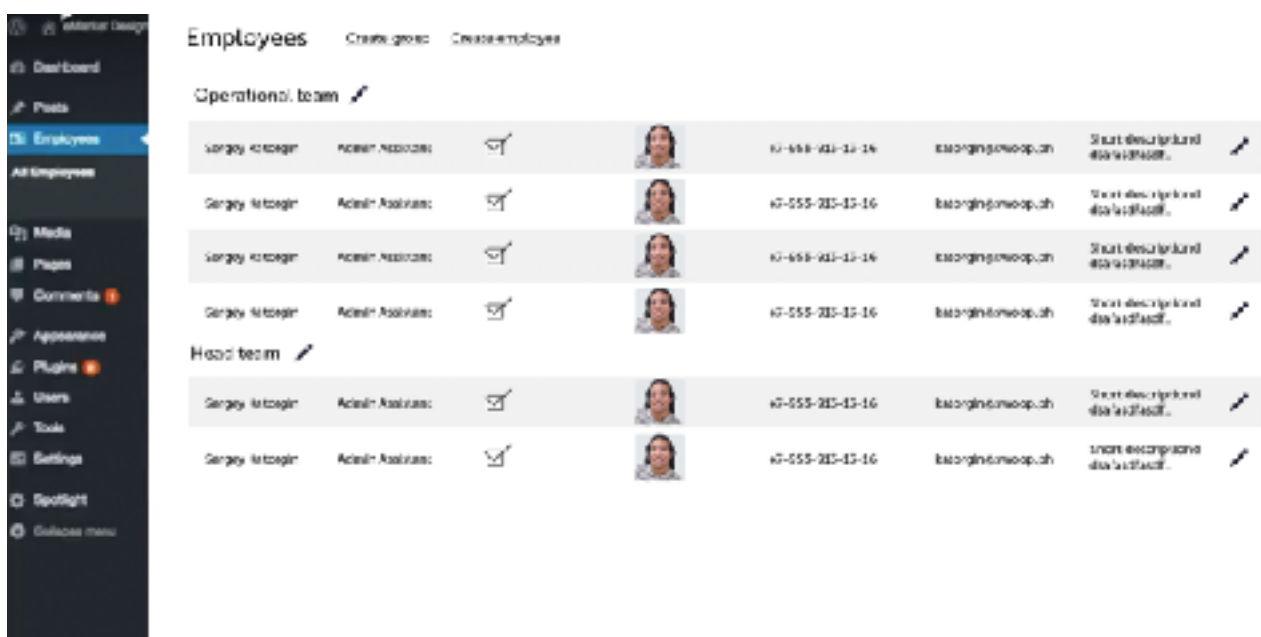

Table should show:

- Teams
- Member name
- Position
- Checkbox - show\|not to show description
- Photo
- Phone number (if it is not entered - do not show it in the frontend)
- Email (if it is not entered - do not show it in the frontend)
- Short description
- Full description

Team creation

In order to create team, user clicks “Create grid”. After that new group should appear on top of the list with edit field:

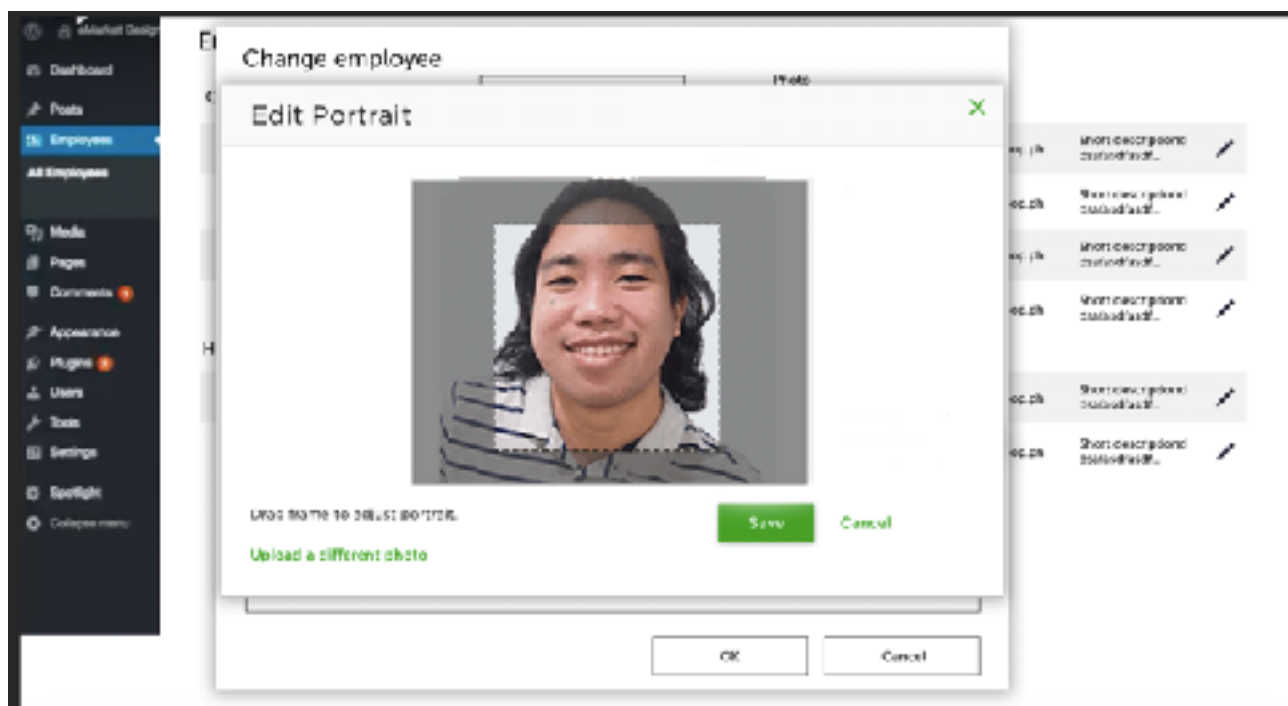

Employee creation

In order to create employee Lightbox should be opened after clicking next button:

Lightbox with parameters of employee:

To insert photo button “Insert photo” should be implemented. After pressing it lightbox with picture settings opens:

When the Lightbox is opened photo from local PC could be inserted by drag and drop function or by pressing Upload a photo. Also should be implemented function to select area of the photo to display in in the frontend and admin areas.

After all changes are made Save and OK button should store the settings.

Edit employee

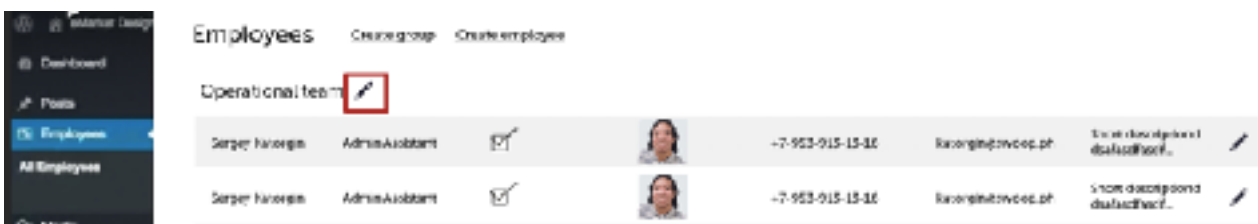

To edit employee button with a pencil icon could be clicked.

After pressing this button the Lightbox similar to employee creation opens.

Edit team category

In order to edit category user could press button with a pencil icon
After that category name turns to input field.

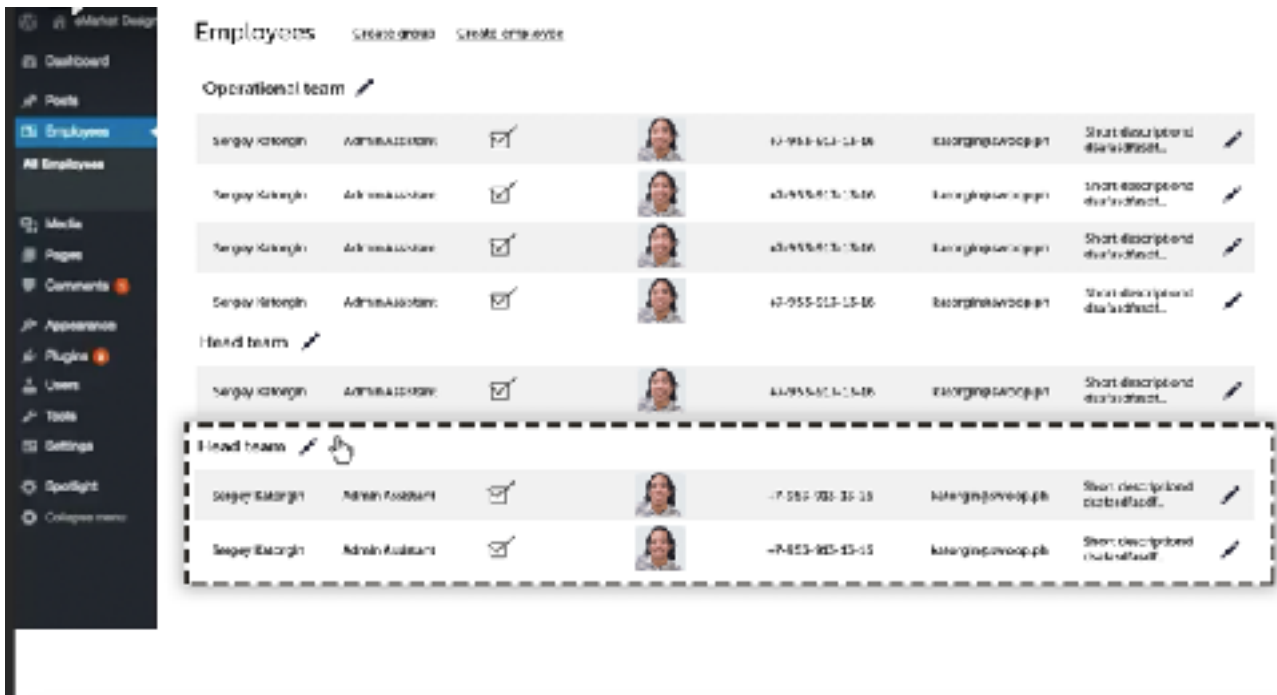

- save new name

- cancel changes

Changing group order

To change order of displaying of the groups in the frontend and in the admin panel drag and drop should be implemented.

Employees							
Operational team							
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Lead team							
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	

Changing team members order

To change order of displaying of the groups in the frontend and in the admin panel drag and drop should be implemented.

Employees							
Operational team							
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	
Lead team							
Sergey Kozorogin	Admin Assistant	<input checked="" type="checkbox"/>		+7-955-915-15-16	kozorogin@wood.ch	Short description default...	

Frontend

All the data from the admin panel should be shown on the page <https://www.swoop.ph/squad/> using the next layout

If the Checkbox “Show\|not show description” was checked, then such a team member should be shown with a description above the elements with unchecked option.

For people with unchecked checkbox, we do not display the description. If the user clicks on the picture, the picture will be replaced by the short description like this:

Xiao Cui

Senior Software Engineer

Prior to Compass, Xiao was an engineer at a small hedge fund startup, focused on building backend services with Python and Mongo. He earned an M.S in Computer Science from NYU. In his free time, he likes swimming and ping-pong.

In other words the vip has his picture + position + the description. The non vip has only his picture + position. So it is only for non vip that we replace the pic by the short description.

In case if there is no photo default placeholder picture should be displayed instead of it.
